Why take summer classes?

You still get a break! We've incorporated "weeks off" into our schedule so that our year-round students get some time off! You get a six week break between recital and the start of the summer session. There will be another short break between the summer and fall sessions. The 4 week summer session runs from July 8th to August 3rd.

Ensure that your dancer doesn't fall behind! It is imperative that dancers stay in classes over the summer to ensure that they don't fall behind technically. Students are not guaranteed that they will remain in the same class level if they take the summer off. Summer students progress technically, and those that take off can fall behind.

No registration fees or costume fees! Our summer session requires no registration fees and our payment structure is quick and easy – no need to fuss with invoices, late fees or multiplying payments.

Try new classes! Summer is an excellent time to try new classes. The short 5 week session gives students the opportunity to explore other areas of dance.

Dance for the Cure! We will be hosting our 15th annual Dance for the Cure performance benefit on Saturday, August 3rd at 7:00 pm at Linden Square in Gladstone. The past twelve years, we have raised over \$80,000 for the breast cancer research. Be a part of this exciting outdoor performance event!

Have FUN! Spend active time with friends in a fun, positive, Christian environment.

Dance for the Cure® Performance Benefit

Our Dance for the Cure® performance this year is benefitting the **Young Survival Coalition**. This is an organization that helps young women facing breast cancer. You can find more information about this worthy cause at www.youngsurvival.org.

One of our Studio 10 moms has been personally blessed by this organization.

ALL summer dancers are invited to participate and perform!

The event date is **Saturday, August 3rd**.
