Non-Competitive – Less money, less drama, less time commitment and less stress! The stress and anxiety of competitions can lead to low self esteem, bullying, rivalries, favoritism, financial stress and an emphasis on non-age appropriate music and dance. Our dancers are free to participate in sports and other activities, while still learning proper technique. Many of our dancers have moved on to earn BFA's in dance and dance professionally all around the world. Instead of competing, we like to use our performance opportunities to give back to the community.

Liberty Fall Festival Parade – We have been the largest entry in the parade for over a decade. This is a fun tradition to be part of our community.

Christmas Benefit Performance – Raising money for Hillcrest Hope at Avondale.

Wiggles/Giggles, Combo and Hip Hop & Cheer

All classes at Studio 10 are closed. No one, including parents, is allowed to view the class during normal weekly class. Special Parent Watch Weeks are scheduled to allow you to see the progress your child is making - SEE CALENDAR.

We run our classes similar to a school setting, in which dancers must be able to be without their parents for the full class time. We have found that this policy provides the best environment for your child to learn effectively. Also, especially in our Tiny 10 studios, there simply isn't room for more than the dance instructor and the students. If there are any separation anxieties we always make exceptions until the child is comfortable, as long as it doesn't have a negative effect on the other dancers.

Parents may run errands, wait in car or quietly wait in foyer.

Safety first! All students are required to stay inside the studio until they are picked up. Curbside parking is available outside the studio and the city hall parking lot is available across the street.

No strollers, dirty or wet shoes, high heels, or food / drinks are allowed on the raised "Marley" dance floors. We ask that these be kept on the carpeted areas only.

Please respect the classes that are in session by not arriving more than 5 minutes before your child's class is dismissed.

When your child's class is dismissed, the studio doors will be opened. All dancers are kept inside the studio until a parent / guardian arrives to pick them up. Please do not enter the studio early unless you have made early departure arrangements with the instructor.

All shoes and bags must be labeled with your child's name prior to their first class. Studio 10 is not responsible for lost or stolen articles.

Hair must be pulled back and secured for all dance / cheer classes.

ALL students are required to wear a leotard to class.

WIGGLES / GIGGLES and COMBO students wear any color leotard, pink tights, pink ballet shoes, black tap shoes. Skirts should be attached. Knot and cut all ballet strings on ballet shoes.

Jr. HIP HOP and CHEER students wear any color leotard, tights and shorts or leggings, and will need pink ballet shoes, black tap shoes, and clean sneakers (no street shoes).

Policies and Guidelines

The following Studio 10 rules and procedures have been established so that your child can receive the safest, most enjoyable, quality dance education possible.

Prorated Payment Structure

- All fees remain the same regardless of long (5 classes) or short (2 classes) months, and regardless of absences or holidays.
- All fees are pro-rated.
- We build two “flex” weeks into the studio schedule payment plan. This allows flexibility if needed for snow days or instructor sick days.

Fees and Withdrawal

- Payments are due by the 1st of the month. This policy remains the same on holidays. Payments not received by the 10th of the month are **automatically charged a \$20.00 late fee**. A secured payment box is located inside the studio foyer, and a mail slot is located outside the building. You can also mail your payments or pay online.
- A \$25.00 service fee, in addition to any applicable late fees, is assessed with any returned check which is not paid by the bank on which it is drawn, for reasons such as non-sufficient funds, refer to maker, missing signature, etc.
- **The registration fee, class fees, recital fees, and costume fees are non-refundable.**
- Should a student need to withdraw from any or all classes at any time during the Fall/ Spring 2023-2024 session, written notice must be given 2 weeks in advance. You can send an email to janell@studio10dancecheer.com. Without written notice, the student is still considered active, and charges are still incurred.
- Accounts must be kept in good standing for a dancer to continue participating in weekly classes, receive costumes, and participate in the Recital.
- Students with an outstanding balance over 30 days are not allowed to participate in weekly classes until the balance is paid in full.
- All outstanding payments over 60 days are handled by a collection agency and / or lawyer.

Drop-off and Pick-up

- Students should arrive for their class in proper attire no earlier than 10 minutes prior to class time and be picked up no later than 10 minutes after the class is over. Studio 10 is not responsible for students before and after class time. Students not picked up within 10 minutes of their class dismissal will be charged a \$15.00 fee.
- Please respect classes that are in session by not arriving more than 5 minutes before your child’s class is dismissed.
- For your child’s safety, please come inside the studio to drop-off and pick-up all students. Students are not to leave the studio without a parent or guardian.
- When your child’s class is dismissed, the studio doors will be opened. Please do not enter the studio early unless you have made early departure arrangements with the instructor.

Cancellation / Missed Classes

- We **ALWAYS** follow the Liberty School District when canceling classes for inclement weather. An email will also be sent if classes are canceled. A decision will be made by 2:00 pm about evening classes (if Liberty hasn’t already canceled evening activities by that time). If in doubt, check our website, Instagram or Facebook page for cancellation updates.
- For the health of other students and teachers, we ask that you do not bring your child to dance if they are sick. If a student misses a class, the instructor will inform them of a comparable class that can be taken during the next month to make up the missed class.

Parent Watch Week

Studio 10 runs classes similar to a school environment - All classes are closed to the public and viewing is not allowed. All dancers must be able to be without their parents for the duration of the class. We have found that this policy provides the best environment for your child to learn.

- To eliminate all distractions and interruptions, parents are asked to leave the building during their child’s class. Please don’t wait in the foyer or an open studio.
- Parent Watch Weeks will be announced soon. During Parent Watch Week classes, parents are encouraged to stay and view the entire class to see the progress your child is making.
- Tiny 10 dancers will have Parent Watch Days (see calendar).
- **Absolutely no viewing by anyone, including parents, is allowed at other times.**
